We look forward to having you celebrate your child's birthday. We will like to request that food items have no nuts and as little icing and sugar as possible. If you are giving out party packs, these should contain items that are suitable and safe for children of that age. If party packs include any food items, please ensure they are reflected in the form above.

For the celebration, please provide disposable plates, forks and serviettes.

Please submit this form to the office and sign in before entering the classroom.
