Immunisation Records

In line with new ECDA Regulatory guidelines, all parents are now required to provide their child's immunisation record. Please prepare a copy to be submitted via the online registration portal. You can download a copy of your child's immunisation record via the National Immunisation Registry website at <https://www.nir.hpb.gov.sg/nirp/eservices/login>. Singaporeans will require SingPass to access the database.

Direct Debit Authorisation Form

As we are operating our financial facilities by way of electronic banking, parents are strongly encouraged to apply for Interbank GIRO (deduction through a Child Development Account or local bank account) for payment of school fee, if you have not applied for one. Your selected mode of payment will be effected for future deduction upon bank approval. Please be informed that we require the original signed (hardcopy) to be submitted to the office as required by the bank.
